

Information about the lunch payment system for Early Education (i-NET-Menue)

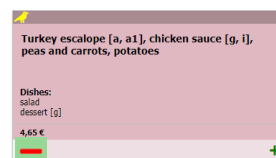

Dear Parents and Guardians,

We have a lunch payment system at our school called **i-NET Menue** and your child can have a hot lunch at school at any time.

IMPORTANT INFORMATION:

For **all Early Education students** the Lunch option 1 is ordered automatically each Friday for the next week (via the ABO system). Please inform the Administration if there are any reasons you would not like your child to participate in lunch.

If your child cannot eat lunch - e.g. in case of absence / holidays or illness - the meal  must be cancelled by 8:00 am at the latest.

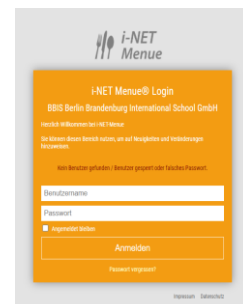

Logging in:

The username and password are provided by BBIS during your enrollment.
The username is the first part of the child's e-mail address without the **@bbis.de**.

Go to <https://bbis.inetmenue.de> or open the app "i-NET Menue".
You can download the app free of charge from the Apple App Store or Google Play Store for free.

After downloading the app, log in with the BBIS system number **482660**, username and password.

Online administration area

After logging in you can go to "Management" (top right) in order to access your personal account area.

Parent account:

If you already have a parent account or have had one in the past, log in to <https://eltern.inetmenue.de> with your e-mail address and your known password. The links to your children are available there and you can manage everything as normal.

Deposit credit

To enable cashless payment, **you must first "top up" your account**.
Only when money has been received and booked on the i-NET account can lunch be ordered or cashless goods purchased. Ideally, always use the same bank account for transfers. The online system can allocate deposits automatically.

Bank details:

BBIS Berlin Brandenburg International School GmbH
IBAN: DE63 1009 0000 8581 0550 14
BIC: BEVODEBB

PURPOSE: name, first name student, class → are essential for the allocation of the payment

Bank transfers can take up to 3 working days depending on the bank. Payments to the account are only possible by SEPA transfer.

NOTE:

The contract partner for the catering services remains the caterer Katerine GmbH. BBIS only processes the orders and payment for the caterer Katerine via the billing system "i-NET Menue".

We hope that this information helps you get started with the i-NET Menue System!
