## MADRID

**Campus: La Moraleja**

**Position: Temporary - Substitution- STEAM & ART**

**Start Date: Immediate**

**We are looking for a teacher who can teach:**

- **Middle School Art**
- **Lower School & Middle STEAM**

**Overview:**

Brewster Madrid is seeking an experienced, energetic and innovative **STEAM & Art Teacher** who develops and implements a powerful student-centered school dedicated to preparing diverse thinkers for lives of purpose.

This opportunity is ideally suited for individuals who have a proven track-record of thriving in a startup environment, enjoy working collaboratively and have successful international teaching/living experience. Finally, we are looking for candidates who demonstrate excellence in the classroom and can help all of our students achieve their full potential as expressed in our Portrait of a Graduate.

**The Work:**

The STEAM Specialist works with the founding team to develop an integrated transdisciplinary approach to middle/upper school STEM education. As we launch our new school, we endeavor to implement a vanguard middle/upper school program that is characterized by smart rigor, competency based learning, and deep engagement. As a city school, our teachers are expected to fully leverage the city as a classroom, and to take advantage of the rich learning opportunities that surround our campus in Madrid.

**Middle School STEM Specialist Responsibilities:**

- Develop integrated STEAM curricula
- Plan daily lessons
- Adopt data-driven attitude towards measuring learner progress
- Develop STEAM learning activities and hands-on material for classes
- Attend to individual student needs

- Demonstrate an awareness of different student backgrounds and culture
- Communicate regularly with parents
- Provide extra support to students who need it
- Monitor student growth to identify strengths and areas for improvement
- Use learner data to constantly refine your curriculum
- Provide regular feedback to students
- Work collaboratively with The Studio (middle school) faculty team
- Teach Advanced Placement Computer Science and and Introduction to Computer Programming

### **STEM Teacher Requirements:**

- Bachelor's degree in a STEAM field with an advanced degree in education or STEAM related field
- Knowledge of STEAM best practices
- Empathy and great interpersonal skills
- Excellent written and verbal communication
- Proficiency with school-based technologies
- Previous experience as a STEAM teacher
- Excellent classroom management skills
- Outstanding collaboration
- Experience with themed-based instruction
- Outstanding math and science skills
- Proven ability to thrive in a start-up environment

### **Additional Qualifications:**

- Bilingual - Spanish and English is advantageous
- Leadership skills, including organizational and analytical skills
- Ability to connect joyfully, appropriately, and respectfully with students, faculty colleagues, and parents, as needed
- A commitment to diversity, equity, inclusion, and justice
- Strong coordination, evaluation, and assessment skills to promote best practices
- Strong interpersonal skills, a positive attitude, and energy
- Commitment to lifetime learning, and professional and personal integrity

### **Brewster Teachers are:**

- Lifelong Learners
- Caring
- Creative
- Dedicated
- Joyful
- Collaborative
- Persistent
- Curious
- Inclusive
- Flexible

**Brewster Teachers:**

- Demonstrate disciplinary expertise
- Approach teaching from interdisciplinary mindset
- Envision themselves as designers of learning
- Value transfer of skills
- Understand that relationships are central to learning
- Set high standards for themselves and their students
- Continually seek opportunities to improve their practice
- Design meaningful assessments
- Learn along with their students
- Thrive in a startup culture and are comfortable working with a team to chart a path forward

**To Apply:**
