## MADRID

**Title: Science Teacher (Middle & Upper school)**

**Start date: August 17th 2026**

**Overview:**

Brewster Madrid is seeking an experienced, energetic and innovative **SCIENCE teacher** who develops and implements a powerful student-centered school dedicated to preparing diverse thinkers for lives of purpose.

The Science teacher develops an integrated transdisciplinary approach to middle and upper school STEM education.

We endeavor to implement a vanguard Middle school and High School program that is characterized by smart rigor, competency based learning, and deep engagement.

This opportunity is ideally suited for individuals who have a proven track-record of thriving in a startup environment, enjoy working collaboratively and have successful international teaching/living experience.

Finally, we are looking for candidates who demonstrate excellence in the classroom and can help all of our students achieve their full potential as expressed in our Portrait of a Graduate.

**Main Responsibilities:**

- To work collaboratively with the faculty and leadership team to envision and enact a modern and relevant educational program
- To develop and implement challenging curriculum that prepares our students to thrive in the future
- To develop integrated SCIENCE curricula
- To develop SCIENCE learning activities and hands-on material for classes
- To plan daily lessons
- To adopt data-driven attitude towards measuring learner progress
- To differentiate curriculum and assessments as necessary while still maintaining a high level of rigor
- To use design principles to develop curriculum and assessments
- To use technology to enhance learning for all students
- To teach classes
- To serve as an advisor
- To plan project-based learning opportunities with other faculty members

**Desired Qualifications:**

- At least 5 years of previous experience as a SCIENCE teacher in an international/independent school.
- Bachelor's degree in a SCIENCE field with an advanced degree in education or STEM related field
- Knowledge of SCIENCE best practices

- Attention to detail, innovative and “can-do” attitude
- Exceptional time management skills
- Great presentation and communication skills
- Hands-on experience with Google Suite and learning management systems
- Ability to coach and inspire, especially in relation to children
- Proven success running discussion-centered classes
- Strong writing/communication skills and a proven dedication to teaching analytical writing across the curriculum
- Demonstrated skill working with adolescents
- Multicultural competency and a commitment to inclusivity
- Experience teaching the IB and/or AP is a plus but not required (middle and upper school)
- Fluency in English, proficiency in Spanish is a plus but not required
- The ability to laugh and to cultivate joy

**Brewster Teachers are:**

- Lifelong Learners
- Caring
- Creative
- Dedicated
- Joyful
- Collaborative
- Persistent
- Curious
- Inclusive
- Flexible

**Brewster Teachers:**

- Demonstrate disciplinary expertise
- Approach teaching from interdisciplinary mindset
- Envision themselves as designers of learning
- Value transfer of skills
- Understand that relationships are central to learning
- Set high standards for themselves and their students
- Continually seek opportunities to improve their practice
- Design meaningful assessments
- Learn along with their students
- Thrive in a startup culture and are comfortable working with a team to chart a path forward

**To Apply:**

- Send cover letter & resume to: [recruitment@brewstermadrid.com](mailto:recruitment@brewstermadrid.com)
- Specify in subject: Full name + Position applying for
